A letter from the chairman

Dear Shareholder,

The 2023 Annual General Meeting (AGM or the Meeting) of Britvic plc (the Company) is to be held on Thursday, 26 January 2023 at 11.00am at the offices of Linklaters LLP, One Silk Street, London EC2Y 8HQ. The AGM is an opportunity for shareholders to express their views directly to the Board and I hope you will take the opportunity to do so.

The notice convening the Meeting is set out on pages 4 and 5. An explanation of the business to be considered at the Meeting is set out on pages 6 and 7 and information on the Directors standing for election and re-election is on pages 8 and 9.

The Directors believe that, in the interest of shareholder democracy, it is important that the voting intentions of all members are taken into account, not just those who are able to attend the AGM. All resolutions will therefore be put to shareholders by way of poll rather than a show of hands. Shareholders attending the AGM will have the opportunity to ask questions and vote on each resolution by means of poll voting handsets or poll cards.

Action required

Whether or not you intend to be present at the AGM, you are strongly urged to appoint a proxy to cast your votes as soon as possible. All shareholders are sent either a Proxy Voting Form or an email containing their Voting ID, Task ID and Shareholder Reference Number. You can either complete, sign and return the Proxy Voting Form, or submit an electronic proxy appointment instruction at www.sharevote.co.uk.

In order to be counted, your voting instructions must be received by the Company's Registrar at the relevant address set out in the additional notes to the Notice of Meeting, by no later than 11.00am on Tuesday, 24 January 2023. Completion and return of the Proxy Voting Form or submission of an electronic instruction will not preclude you from attending and voting in person at the AGM should you subsequently decide to do so.

Questions

If you have any questions about the AGM or your shareholding, please contact our Registrar, Equiniti, by post at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, by telephone on 0371 384 2550 (overseas +44 121 415 7019) or, for shareholders who have already registered with Equiniti's online portfolio service, Shareview, at www.shareview.co.uk. Phone lines are open from 8.30am to 5.30pm Monday to Friday, excluding public holidays in England and Wales.

Further shareholder information can be found on the Company's website at www.britvic.com/investors.

Recommendation

The Board considers that all the proposed resolutions are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote 'For' the resolutions to be proposed at the AGM, as the Directors intend to do so in respect of their own beneficial holdings (other than in respect of those resolutions in which they are interested).

The results of the voting will be posted on the Company's website after the Meeting and notified to the London Stock Exchange.

I look forward to seeing you at the AGM.

Yours faithfully

John Daly

Chairman

8 December 2022

Explanatory notes to the resolutions

The following pages give an explanation of the proposed resolutions.

Resolutions 1 to 16 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 17 to 20 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Companies Act 2006 (the Act) requires the directors of a public Company to lay before the Company in general meeting copies of the Annual Report and Accounts in respect of each financial year. The Strategic Report, Corporate Governance Statement, Directors' Remuneration Report, Directors' Report, Auditor's Report and financial statements are contained within the Annual Report and Accounts (the 2022 Annual Report). Shareholders will have the opportunity to put any questions to the Directors before the resolution is proposed to the Meeting.

The 2022 Annual Report is available to download at www.britvic.com/annualreport.

Resolution 2 – Final dividend

The Directors are recommending a final dividend for the year ended 30 September 2022 of 21.2p per ordinary share. Subject to shareholder approval, the dividend will be paid on 8 February 2023 to the holders of ordinary shares on the Register of Members of the Company at the close of business on 23 December 2022.

Resolution 3 – Directors' Remuneration Report

In accordance with the Act, Resolution 3 proposes an ordinary resolution to approve the Directors' Remuneration Report for the year ended 30 September 2022. The Directors' Remuneration Report can be found on pages 105 to 117 of the 2022 Annual Report.

Resolution 4 – Share Incentive Plan rules

Resolution 4 proposes the re-adoption of the rules and trust deed of the Britvic Share Incentive Plan (SIP). The SIP is an all-employee share incentive plan, which takes advantage of the tax beneficial status of share incentive plans which comply with Schedule 2 to the Income Tax (Earnings and Pensions) Act 2003. Participation will be open to all employees of participating companies. The SIP was originally adopted in 2003, and the SIP was last approved by shareholders on 19 March 2013, with such approval expiring on 9 April 2023. The provisions of the rules and trust deed of the SIP are substantially the same as the existing rules and trust deed, subject to amendments to take into account changes to the relevant legislation.

The key terms of the SIP are set out in Appendix 1 to this document. A copy of the SIP rules and trust deed are available on the national storage mechanism and will be available for inspection at One Silk Street, London EC2Y 8HQ for 15 minutes before, and during, the AGM.

Resolutions 5 to 12 – Election and re-election of Directors

The Company's articles require that each Director retires at the end of each AGM of the Company unless elected or re-elected at the Meeting. Hounaida Lasry was appointed as a Director of the Company on 29 September 2022. Consequently, Hounaida Lasry will retire from office at the AGM and stand for election by the shareholders for the first time. Each of the other Directors of the Company will retire from office and stand for re-election by the shareholders at the AGM.

In proposing the re-election or election of the Directors, the Chairman has confirmed that, following a formal performance evaluation, each individual continues to make an effective and valuable contribution to the Board and demonstrates commitment to the role. Details of the Board evaluation process in relation to the Directors can be found on pages 97 to 98 of the 2022 Annual Report. Biographical details of each of the Directors standing for election and re-election are set out on pages 80 to 81.

Resolutions 13 and 14 – Appointment of auditor and auditor remuneration

Resolution 13 seeks approval for the appointment of Deloitte LLP as the Company's new auditor until the Company's next AGM. This resolution is recommended by the Audit Committee and is endorsed by the Board. The rationale for this recommendation can be found in the 2022 Annual Report on page 103.

The Directors have delegated the responsibility for setting the auditor remuneration to the Audit Committee. Resolution 14 authorises the Audit Committee to fix the auditor remuneration.

The Board considers that the level of consultancy related non-audit fees to audit fees undertaken by Ernst & Young LLP is appropriate for the advisory work required to be undertaken for the year ended 30 September 2022 and that these do not create a conflict of interest on the part of the independent auditor.

Resolution 15 – Political donations

Part 14 of the Act contains restrictions on companies making political donations or incurring political expenditure and defines those terms in a way that is capable of a very wide interpretation. It remains the policy of the Company not to make political donations or to incur political expenditure as those expressions are normally understood. However, the Directors consider that it is in the best interests of shareholders for the Company to participate in public debate and opinion forming on matters which affect its business. To avoid inadvertent infringement of the Act, the Directors are seeking shareholders' authority for the Company and its subsidiaries to make political donations and to incur political expenditure during the period from the date of the AGM to the conclusion of next year's AGM or 31 March 2024, whichever is earlier, up to a maximum aggregate amount of £50,000.

Resolution 16 – Allotment of share capital

At the Company's last AGM held on 27 January 2022, the Directors were given authority to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £35,292,382 (representing approximately 66% of the Company's then issued ordinary share capital). This authority is due to expire on the date of the AGM and the Directors would like to renew it.

Share capital management guidelines published by the Investment Association confirm that the Association's members will regard as routine an authority to allot up to two thirds of a Company's existing issued share capital, provided that any amount in excess of one third of the existing issued shares should be applied to fully pre-emptive rights issues only.

In light of these guidelines, the Board considers it appropriate that Directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £34,428,052 (representing approximately 66% of the Company's issued ordinary share capital as at 2 December 2022*). Of this amount, £17,214,026 (representing approximately 33% of the Company's issued ordinary share capital as at 2 December 2022*) can only be allotted pursuant to a rights issue. The authority will last until the conclusion of the Company's next AGM or, if earlier, until the close of business on 31 March 2024.

The Directors have no present intention of undertaking a rights issue or allotting new shares other than in connection with executive or employee share schemes. However, the Directors consider it appropriate to maintain the flexibility that this authority provides to be in a position to respond to market developments and to enable allotments to take place to finance business opportunities should they arise.

As at the date of this document, the Company does not hold any ordinary shares in the capital of the Company in treasury.

Resolutions 17 and 18 – Disapplication of statutory pre-emption rights

Resolutions 17 and 18 are special resolutions which, if passed by shareholders, will enable the Board to allot ordinary shares, or to sell any shares out of treasury, for cash, without first offering those shares to existing shareholders in proportion to their existing holdings.

The proposed resolutions essentially replicate the powers which were granted at last year's AGM (and which will expire on the date of the AGM). Such powers reflect the Statement of Principles on Disapplying Pre-emption Rights published by the Pre-emption Group in March 2015, which provides that a Company may seek power to issue on a non-pre-emptive basis for cash shares in any one year representing: (i) no more than 5% of the Company's issued ordinary share capital; and (ii) no more than an additional 5% of the Company's issued ordinary share capital, provided that such additional power is only used in connection with an acquisition or specified capital investment.

The 2015 Statement of Principles defines a 'specified capital investment' as 'one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the listed Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return'. Items that are regarded as operating expenditure rather than capital expenditure will not typically be regarded as falling within the term 'specified capital investment'.

Resolution 17 is to be proposed as a special resolution. If this resolution is passed by shareholders, it will permit the Board to allot ordinary shares for cash on a non-pre-emptive basis both in connection with a rights issue or similar pre-emptive issue and, otherwise than in connection with any such issue, up to a maximum nominal amount of £2,608,186.

This amount represents approximately 5% of the Company's issued ordinary share capital as at 2 December 2022*. This customary resolution will permit the Board to allot ordinary shares for cash, up to the specified level, in any circumstances (whether or not in connection with an acquisition or specified capital investment).

Resolution 18 is to be proposed as a separate special resolution. If this resolution is passed by shareholders, it will afford the Board an additional power to allot ordinary shares for cash on a non-pre-emptive basis up to a further maximum nominal amount of £2,608,186. This amount again represents approximately 5% of the Company's issued ordinary share capital as at 2 December 2022*. The Board will use the power conferred by Resolution 18 only in connection with an acquisition or a specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The Board also confirms its intention to follow the provisions of the 2015 Statement of Principles regarding cumulative usage of authorities within a rolling three-year period. Those provisions provide that a Company should not issue shares for cash (other than to satisfy share scheme requirements) representing more than 7.5% of the Company's issued share capital in any rolling three-year period, other than to existing shareholders, without prior consultation with shareholders. This limit excludes any ordinary shares issued pursuant to a general disapplication of pre-emption rights in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

This authority will expire at the conclusion of the Company's next AGM or at the close of business on 31 March 2024, whichever is the earlier.

Resolution 19 – Authority to purchase own shares

Resolution 19 renews the Company's authority to buy back its own ordinary shares in the market as permitted by the Act. In accordance with investor guidelines, the authority limits the number of shares that could be purchased to a maximum of 26,081,857 (representing approximately 10% of the Company's issued ordinary share capital as at 2 December 2022*) and sets minimum and maximum prices.

The Company commenced a share buyback programme in May 2022 for a maximum aggregate market value equivalent to £75m, pursuant to the authority given by shareholders at the 2022 AGM. The programme is scheduled to end on or before 28 February 2023.

Following the completion of the share buyback programme, the Directors will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the Directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares. If Resolution 19 is passed at the AGM, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will need to reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

As at the latest practicable date before publication of the circular there were no warrants or options to subscribe for equity shares outstanding.

Resolution 20 – Notice period for general meetings

Resolution 20 is to be proposed as a special resolution to allow the Company to hold general meetings (other than annual general meetings) on at least 14 days' notice.

The Act requires listed companies to call general meetings on at least 21 clear days' notice unless shareholders approve a shorter notice period, which cannot be less than 14 clear days. Annual general meetings must always be held on at least 21 clear days' notice.

The Company has the power, given at the AGM held in 2021, to call a general meeting (other than an annual general meeting) on at least 14 days' notice and would like to preserve this ability. In order to do this, shareholders must first approve the calling of meetings on at least 14 days' notice. This resolution seeks such approval. The approval will be effective until the end of the Company's next AGM or until the close of business on 31 March 2024, whichever is the earlier. The Board will consider on a case-by-case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive.

* 2 December 2022 being the latest practicable date prior to the publication of this Notice of Meeting.

Appendix 1 – Summary of the main terms of the Britvic Share Incentive Plan

General

The SIP is a share incentive plan designed to take advantage of the tax beneficial status of share incentive plans which comply with Schedule 2 to the Income Tax (Earnings and Pensions) Act 2003 (Schedule 2).

The SIP shall be administered by the Board of Directors of the Company (the Board) or a duly authorised Committee of the Board.

Eligibility

All employees of the Company and participating subsidiaries who have been employed for a minimum period (not exceeding the period specified from time to time in Schedule 2) and who otherwise satisfy the eligibility requirements in Schedule 2 are entitled to participate in the SIP.

How the Plan may be operated

The Board can operate the SIP in a number of ways. It can:

- make an award of 'free shares'; and/or
- give employees the opportunity to invest in 'partnership shares'; and/or
- make an award of 'matching shares' to those employees who have invested in 'partnership shares' (free shares, partnership shares and matching shares – together Plan Shares); and/or
- require or allow employees to reinvest any dividends paid on their Plan Shares in further ordinary shares (Dividend Shares).

Free shares

The Company may award free shares up to a maximum annual value specified in Schedule 2 from time to time. The current maximum annual value is £3,600 per employee. If the Company wishes, the award of free shares can be based on the achievement of individual, team, divisional or corporate performance measures which must be fair and objective. Otherwise, free shares must be awarded to employees on the same terms, although awards can vary by reference to remuneration, length of service or hours worked.

Partnership shares

The Company may provide employees with the opportunity to acquire partnership shares from their gross monthly salary, up to a maximum value specified in Schedule 2 from time to time, currently £1,800 per year. The Company may set a minimum monthly deduction which may not be greater than £10 (or such other amount specified in Schedule 2 from time to time). Ordinary shares will be acquired on behalf of employees within 30 days after each deduction at the market value of the ordinary shares on the date they are acquired. Alternatively, deductions can be accumulated during any accumulation period of up to 12 months. In this case, ordinary shares will be acquired on behalf of employees within 30 days after the end of the accumulation period, at the lower of the market value of the ordinary shares at the beginning of the accumulation period or the date when they are acquired.

Matching shares

The Company may award matching shares for free up to a maximum number of matching shares for each partnership share acquired by the employee, as specified in Schedule 2 from time to time. The current maximum is two matching shares for each partnership share.

Dividend Shares

The Company can either give employees the opportunity or require employees to reinvest any dividends paid on any of their Plan Shares in further ordinary shares.

Trust

The SIP operates through a trust, which will acquire ordinary shares by purchase, by subscription or by the acquisition of ordinary shares held in treasury and will hold the ordinary shares on behalf of the employees.

Awards of free shares

An award of free shares may only be made within the period of 42 days commencing on:

- the day on which the SIP is approved by shareholders; or
- any day on which changes to the legislation affecting share incentive plans under Schedule 2 are announced, effected or made; or
- the day after the announcement of the Company's results on the London Stock Exchange for any period; or
- where the award is subject to restrictions imposed by statute, order, regulation or any dealing code adopted by the Company, the day following the lifting of such restrictions; or
- any day on which the Board determines that exceptional circumstances exist which justify an award of free shares.

Holding period

Free and/or matching shares must generally be held in trust for a period specified by the Company, which must not be less than three years nor more than five years from the date on which the shares are awarded to employees. Dividend Shares must generally be held in trust for three years.

Cessation of employment, forfeiture of shares and non-transferability

The Company may specify that free shares and/or matching shares are forfeited if employees cease employment with a member of the Group (other than because of certain circumstances such as death, redundancy, injury, disability, retirement, transfer of the employing business or change of control of the employing Company) within the period of up to three years from the date on which shares were awarded. Employees can withdraw their partnership shares from the SIP at any time. The Company can stipulate that matching shares will be subject to forfeiture if the corresponding partnership shares are withdrawn within a specified period after they are awarded, not exceeding three years. To the extent not forfeited, Plan Shares and Dividend Shares must be withdrawn from the SIP trust if the participant ceases employment with a member of the Group.

Limits on the issue of shares

The use of newly issued ordinary shares under the SIP is limited to 10% of the issued share capital of the Company from time to time, taking into account ordinary shares issued or to be issued over the previous 10-year period under the SIP and any other employee share plans adopted by the Company.

For the purposes of calculating this limit, ordinary shares transferred from treasury will be treated the same as newly issued ordinary shares.

Amendments to the SIP

The Board will have authority to amend the SIP, provided that no amendment to the advantage of participants or qualifying employees may be made to provisions relating to eligibility, limits on participation and the number of new shares available under the SIP, the basis for determining a participant's entitlements in the event of a variation in the Company's share capital, and the amendment provisions themselves, without the prior approval of the shareholders in a general meeting (unless an amendment is minor and made to benefit the administration of the SIP, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for the Company, any participating Company or participants or qualifying employees).

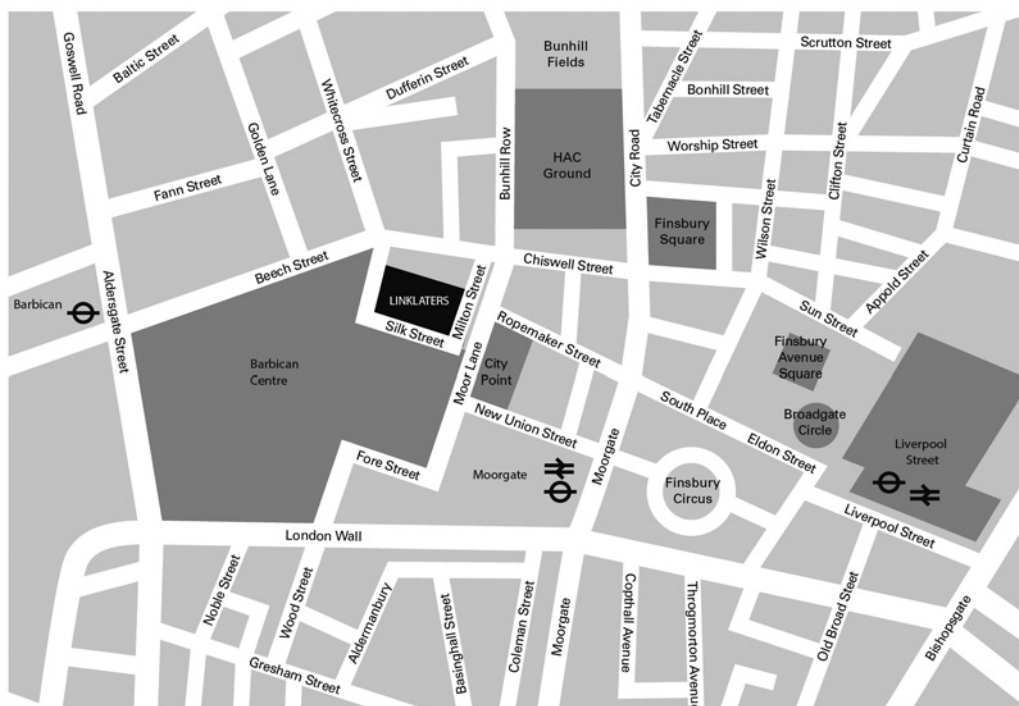

Authority to operate the SIP

No invitations to participate in awards under the SIP may be issued after the 10th anniversary of its date of adoption by shareholders.

Awards non-pensionable

Benefits under the SIP are not pensionable.

Only shareholders, properly appointed proxies, corporate representatives and invited Company guests are permitted to attend the AGM. Shareholders wishing to bring a guest must make a request to the Company in advance by contacting Britvic's Registrar. Contact details are shown on page 11. If a shareholder brings a guest without giving advance notice to the Company, the guest may not be permitted to enter the anteroom or auditorium at the venue of the AGM and may be asked to leave the premises.

The Company retains absolute discretion to exclude or admit guests to the AGM, including pre-registered guests. Only the Deputy Company Secretary or a more senior Company staff member may exercise this discretion.

Right to ask questions

Any member entitled to attend the AGM has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; or (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Additional notes on voting

Entitlement to attend and vote

To be entitled to attend and vote in respect of the number of shares registered in their name, shareholders must be entered on the Register of Members of the Company by 6.30pm on Tuesday, 24 January 2023, or, if the AGM is adjourned, on the Register of Members at the close of business on the day being two business days prior to the date of the adjourned AGM. In both cases, changes to entries on the Register of Members after the relevant time will be disregarded in determining the rights of any person to attend or vote at the AGM.

Entitlement to appoint proxies

A registered shareholder entitled to attend and vote at the AGM is entitled to appoint a proxy or proxies (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. The appointment of a proxy will not prevent a member from subsequently attending and voting at the AGM in person.

A proxy may be appointed by any of the following methods:

- completing a Proxy Voting Form in accordance with its instructions and returning it to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; or
- submitting an electronic proxy appointment by logging onto Equiniti's website, www.sharevote.co.uk. Shareholders will need their Voting ID, Task ID and Shareholder Reference Number, which can be found on the Proxy Voting Form or email provided. Full details of the procedures are given on the website. Alternatively, if you have already registered with the Registrar's online portfolio service, Shareview, you can submit your proxy by logging on to your portfolio at www.shareview.co.uk using your usual user ID and password; or
- if you are a member of CREST, by using the CREST electronic appointment service explained below.

IMPORTANT: In any case, to be valid, your electronic proxy appointment instructions or Proxy Voting Form must be received by the Company's Registrar, Equiniti, no later than 11.00am on Tuesday, 24 January 2023.

Instructions for CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedure described in the CREST Manual (available at www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti as the Issuer's agent (RA19) by 11.00am on Tuesday, 24 January 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instruction to proxies appointed through CREST should be communicated to the appointee through other means. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for

any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Instructions for Proxymity platform

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00am on Tuesday, 24 January 2023 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

Rights of persons whose shares are held on their behalf by another person

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Act (Nominated Persons). Nominated Persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

If you are such a Nominated Person, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee that it will deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the Act, writes to you directly for a response.

Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member, provided that they do not do so in relation to the same shares. Any such representative should bring to the Meeting a certified copy of a resolution of the directors or other governing body of the corporation concerned confirming the appointment.

Information required by Section 311A of the Act – issued share capital

As at 2 December 2022, being the latest practicable date prior to the publication of this Notice of Meeting, the Company's issued share capital consisted of 260,818,572 ordinary shares, carrying one vote each. Therefore, the total number of exercisable voting rights in the Company as at 2 December 2022 was 260,818,572.

Audit statements

Shareholders should also note that it is possible that, pursuant to requests made under Section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to the audit of the Company's statutory reports and accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM. The Company cannot require the shareholders requesting such website publication to pay its expenses in complying with Sections 527 or 528 of the Act. Where the Company is required to place a statement under Section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Act to publish on a website.

Information available on website

A copy of the Notice of AGM and other information required by Section 311A of the Act can be found at www.britvic.com. You may not use any electronic address provided either in this document or any related documents (including the Proxy Voting Form) to communicate with the Company for any purpose other than those expressly stated. The 2022 Annual Report will remain on the Company's website for 10 years.

Dividend mandates

If you choose to take your dividends in cash, you can have these paid directly into a sterling bank or building society account in the UK. This method of payment removes the risk of delay or loss of dividend cheques in the post and ensures that your account is credited on the due date.

The easiest way to arrange this is to register on Shareview, at www.shareview.co.uk, the share portal for managing your shareholding. Alternatively, you can complete a dividend mandate form and return it to the Registrar by post. You can download a mandate form from the dividends page at www.britvic.com. Your instruction must be received by the Registrar before the record date for a dividend in order for it to be implemented for that payment.

If you live outside the UK, our Registrar offers an Overseas Payment Service, which provides dividend payments that are automatically converted into your local currency and paid directly into your bank account. The service is available in over 90 countries worldwide and it normally costs less than paying in a sterling cheque. You can find more information and download application forms at www.shareview.co.uk. You can call the Registrar on +44 (0) 121 415 7019 if you need further assistance.

If you don't instruct us to pay your cash dividend into your bank account, you will be sent a sterling cheque to your registered address. You are strongly advised to register on Shareview to keep your details up to date.

Dividend reinvestment plan (DRIP)

Shareholders can choose to reinvest dividends received to purchase further shares in the Company through the Company's DRIP. The purchases are made on, or as soon as reasonably practicable after, the dividend payment date, at the market price(s) available at the time. Any surplus cash dividend remaining is carried forward and added to your next dividend payment. A DRIP application form is available via the Registrar or via download from the shareholder information pages at www.britvic.com/investors/.

Warning to shareholders – boiler room fraud and other investment scams

We are aware that some of our shareholders have received unsolicited phone calls or correspondence concerning investment matters where a connection to this Company is implied. These calls typically come from people claiming to be brokers based overseas who target UK shareholders, offering to sell them what often turn out to be worthless or high risk shares in US or UK investments. These operations are commonly known as 'boiler rooms'.

Similar scams have been attempted with the shareholders of many UK companies in recent years. Even experienced shareholders have been duped.

If you receive any unsolicited investment advice:

- Get the full, correct name of the person and the organisation they purport to represent.
- Before becoming involved, check that they are authorised by the Financial Conduct Authority (FCA). Check the online register or phone 0800 111 6768.
- We would advise you not to share any of your personal information such as bank account details or National Insurance number.
- If you suspect an attempt at fraud, report it to the FCA on 0800 111 6768.

Read the FCA advice at

www.fca.org.uk/scamsmart/share-bond-boiler-room-scams.

Electronic communications

Britvic has adopted website communication as the default method of communication with shareholders. We periodically contact shareholders to ask if they would prefer to receive hard copy documents. Shareholders who do not respond to this query within 28 days are deemed to have consented to website communication under the 2006 Companies Act provisions. Britvic will still send a paper notification to tell these shareholders when new documents are posted to the website.

Alternatively, shareholders can elect to receive these notifications by email, by registering with Shareview at www.shareview.co.uk. This will save on printing and distribution costs, creating environmental benefits. When registering, you will need your Shareholder Reference Number which can be found on your share certificate or Proxy Voting Form. Please contact Equiniti if you require any assistance or further information.
